"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for it has done me so much good. I had female weakness, inflammation, pain in my sides and painful periods for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Compound in these papers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman and have recommended your medicine to my friends. I would be glad to see everybody know what your medicine did for me, and if any write to me I will answer all letters."

Mrs. MARY CALIGURE, 317 South Main St., Herkimer, N.Y.

Every woman at some period or other in her life may suffer from just such disturbances as Mrs. Caligure, and if there is no interested friend to advise, let this be a reminder that this famous root and herb remedy has been overcoming these ailments of women for more than 40 years.
